

REMARKS

The specification has been amended to conform with the changes made in the parent application. The status of the applications referred to in the specification has been updated. In this Rule 60 application, claims 9-11 have been amended to be non-multiple dependent claims. Therefore, claims 18-25 have been introduced to cover the additional claim dependencies of claims 9-11, respectively.

Claims 1-25 are presented herein for examination. The parent to this application is involved in Interference No. 102,728 (Brake et al. v. Singh).

If the Examiner has any questions, the Examiner should feel free to contact the undersigned attorney at the number indicated below.

Respectfully submitted,

GENENTECH, INC.
